I. **BRIEF OVERVIEW OF BOARD ACTIVITY**

- Board members conducted five meetings during this fiscal year.

- Board members and social work professionals are working towards revision of the alternative temporary process that was last revised in 1998. A draft of proposed items is being considered by all parties. The Board continues to be committed to this goal.

- The Board carried out their responsibilities for the protection of the public pursuant to the WV Code §30-30. A finding of probable cause resulted in disciplinary action. All actions were reported to the Association of Social Work Boards Disciplinary Action Reporting System (ASWB-DARS) for filing with the Health Integrity Practitioners Data Bank. ASWB is the reporting agent for the Board. Assistant Attorney General Katherine Campbell continued to serve as legal counsel for the Board.

- Staff members continue to oversee the daily operation of the office and provide services to the social work and general public. Judith Williams and Amy Polen attended the September 2008 session of the Board & Commission training and completed the annual P-Card testing.

- As revenue continued to drop and expenses rose, the Board was forced to file an Emergency Rule with the Secretary of State August 2008. This legislation was passed and approved by the Governor.

- Dr. Patricia O’Reilly attended the Association of Social Work Boards Annual Meeting on November 6-8, 2008 in Providence Rhode Island as the West Virginia jurisdiction Delegate.

   A temporary or LSW earned via the temporary process is not transferable or
   accepted in any other jurisdiction. West Virginia is one of five jurisdictions in the
   US and Canada that has any type of alternative license procedure for those with
   an acceptable related bachelor’s degree. Ohio required that a related degree be
   earned prior to 1992 in order to be considered a potential candidate.

   **Inactive License Category:** The number of persons leaving the state or
   profession of social work continues to increase. Many of the original
   Grandfathered license candidates have now retired.

   **Examination Location Sites:** As of early summer there is no longer a testing site
   South, East, or West of Parkersburg WV at which a candidate may test. ASWB is
   attempting to locate another site in or near Kanawha County. WV testing sites are
   now in Parkersburg, Wheeling, and Fairmont. No Saturday testing is allowed for
   these sites.
